## SUMMARY OF QUALIFICATIONS

Hello ✨, my name is Anna Maria I am 20 years old and I am a full-stack developer. In 2019, as soon as I finished high school at age 16, I decided to start studying Information System.

In 2020 I started studying HTML, CSS, JavaScript and React, I fell in love and decided that I would go deeper into web development.

In early 2021 I got an internship at Avanade Brasil where I'm still working, here at Avanade I work in the automation and ChatBot area.

Currently I continue to constantly learn both web development (REACT, NodeJS) and ChatBot and all the automation part.

## PROFESSIONAL EXPERIENCE

**December 2021 - Currently | advance**

Company focused IT services focused on Microsoft platform with artificial intelligence, business analytics and cloud.

**Junior Software Analyst**

- I work in the development of Chatbot using object-oriented programming, the C# language, React, Azure Functions, Bot Framework Emulator and several other technologies.

**March 2021 - November 2021 | advance**

Company focused IT services focused on Microsoft platform with artificial intelligence, business analytics and cloud.

**Intern**

- I worked helping in the development of Chatbot using object-oriented programming, the C# language, Azure Functions, Bot Framework Emulator and several other technologies.
